

CSHCS Alert #10 - LHD Point of Contact for MHPs  
Fri 8/31/2012

Colleagues,

As you will recall, we have requested that each health department identify a single point of contact for us to provide to the Medicaid Health Plans. Attached you will find the document listing these contacts, which will be shared with the MHPs on September 5th. Please let me know if you have any corrections to the information in the attached.

This document will need to be updated regularly, and more information will follow on how/when this will be updated.
